

Opportunity for BRI Medical Students Only

Thanks to the graciousness of BRI's partners at UberDocs and Dr. Paula Muto, medical students are invited to be a part of the [2022 InnovatorMD Virtual Global Summit](#), January 7-9.

Get a peek into the future of healthcare. Participate in the largest network of physician innovators, thinkers and doers. Hear visionaries speak, interact with peers, and get inspired to take action. Expand your mindset and explore the possibilities!

Free for BRI Medical Student participants. Interested? Email Rebecca to receive a code for free registration – rebecca@benjaminrushinstitute.org.

Virtual Events Series

Antonio Ciaccia - Thursday, January 6, 2022 – 12pm ET

Antonio Ciaccia of 46brooklyn Research joins Benjamin Rush Institute to talk about the role PBMs have, and should have, in today's healthcare this Thursday, January 6, 2022, at 12pm ET. Seats are limited so register [NOW](#).

Antonio Ciaccia is the CEO of 46brooklyn Research and chief strategy officer of 3 Axis Advisors. As former lobbyist for Ohio Pharmacists Association, Antonio has testified on the state and national level about present about pharmacy benefit managers (PBMs) and drug pricing tactics. He will talk with BRI about how PBMs have raised healthcare prices and what the future holds.

Register [NOW](#).

Support BRI

Start 2022 off by supporting the future of healthcare – donate to the Benjamin Rush Institute. Our mission is to educate medical students on free enterprise solutions that promote the doctor-patient relationship. The future of medicine – our medical students – must be educated on how policies, laws, and regulations of today will affect the future of medicine and their professions. That's where BRI steps in.

donation is tax-deductible.

Donate [ONLINE](#), or by MAIL - P.O. Box 610-001, DFW Airport, TX 75261-0001.
