

Benjamin Rush Institute is welcoming the warmer days with discussions on how physicians get paid. Join BRI's Virtual Events Series this March and April as we talk to specialists in the insurance and benefits field as well as data and research experts about how big business, big government interference affects how physicians practice medicine – and what you can do about it.

BRI's Virtual Events Series is free and open to all BRI Supporters. Seats are limited, so register early.

Carl Schuessler, Jr., DHP, DIA, GBDS of Mitigate Partners, Tuesday, March 23, 2021, 6:00pm ET - https://bit.ly/BRI_Schuessler

Kofi Ampaabeng, Ph.D and Elise Amez-Droz of Mercatus Center at the George Mason University, Wednesday, April 21, 2021, 1:00pm ET - https://bit.ly/BRI_Mercatus

Carl Schuessler, Jr. of Mitigate Partners joins Benjamin Rush Institute to talk about *how to put patients FIRST without insurance company hassles* on **Tuesday, March 23, 6:00pm ET**. Seats are limited for this FREE event, so register **[NOW](#)**.

Carl Schuessler is the Founder and Managing Principal of Mitigate Partners, a Risk Management, Cost Containment and Employee Benefits Consulting firm, which is a partnership of 29 employee benefit consulting and brokerage firms that allows local management within a collaborative environment with more than 150 years of combined experience.

With more than 30 years of experience in benefits consulting and financial services, Carl pioneered the fiduciary approach to benefits advisory services. His interest in treating the employer's money like his own, led Carl through years of research culminating in the development of his proprietary "Fair Cost Health Plan", an innovative plan design seamlessly integrated with a High-Performance Healthcare Solutions platform that provides best-in-class benefits at substantially lower costs while improving clinical and financial outcomes for health plans and their members. A founding Health Rosetta Charter Certified Advisor, Carl is a highly accomplished speaker and author who is engaged in the pursuit of Employer-Built Healthcare to replace the archaic Insurer-Built Healthcare system that has ceased to meet the needs of employers

Program for Benefits Advisors.

Carl has successfully networked with other trusted partners/vendors such as insurance companies, PBM's, TPA's, health care destinations, employee benefit communication companies, and onsite clinics. He has a proven track record of bringing comprehensive High Performance Healthcare Solutions to businesses regarding healthcare costs, benefit design, improved medical outcomes, and improved employee communications.

Tuesday, March 23, 6:00pm ET - Register [NOW](#).

Kofi Ampaabeng, Ph.D and Elise Amez-Droz of the Mercatus Center join BRI to talk about *caring for patients in a third-party payer system* on **Wednesday, April 21 at 1:00pm ET**. Seats are limited so register for this free event [NOW](#).

Kofi Ampaabeng is a senior research fellow and data scientist at the Mercatus Center at George Mason University. He specializes in curating data and generating policy relevant insights from data. Prior to joining the Mercatus Center, he worked for IMPAQ International, LLC, where he evaluated the efficacy of government programs.

Kofi Ampaabeng received his PhD in Economics from Clark University, Massachusetts and his BA in Computer Science and Economics from the University of Ghana.

Elise Amez-Droz is a Program Manager for the Open Health program at the Mercatus Center at George Mason University, where she manages the health policy portfolio. She is a Public Policy Fellow with The Fund for American Studies and a member of the Millennial Cohort of AEI's Leadership Network. Previously, she has worked as a Market Research Associate for a start-up company in the pharmaceutical industry. She is a graduate of the Fuqua School of Business at Duke University.

Wednesday, April 21, 1:00 pm ET - Register [NOW](#).

THE MATCH - Friday, March 19

This application year has been unlike any other, and 4th year medical students have had to find even more unique ways to set themselves apart from their peers, often with limited rotation cycles and other restrictions caused by the Covid-19 pandemic. We know that BRI founders, leaders and members are extraordinary and we are looking forward to hearing from everyone what the future holds.

Good luck M4s on March 19 when you get your results of the National Resident Matching Program – The Match!

SUPPORT BRI

YOU can help support the future of healthcare by supporting Benjamin Rush Institute. Our mission is to educate medical students on free enterprise solutions that will help maintain the doctor-patient relationship. The new Administration threatens to add regulations to an already over-regulated healthcare industry, further limiting how doctors practice medicine. The future of medicine – our medical students – must be educated on
